REPORT

Date July 30, 1931

Subject (in full) D. A. Rushton alias D. A. Berkeley - Rushton

Made by D. S. I. Duncan.

Forwarded by

Sir,

Enquiries show that D. A. Rushton alias D. A. Berkeley - Rushton arrived in Shanghai from Hongkong on April 7, 1931. He first resided at No. 17 Yuen Ming Yuen Road where he registered himself as a British subject and being in Civil Service. On May 6 he removed to No. 32 Jinkoo Road and a few days later to No. 142 Szechuen Road. In each case he left without paying for his board and lodgings. He now resides at No. 311 Route Tenant de la Tour but has made arrangements to move No. 3-4 Weihaiwei Road in a few days.

Rushton has contracted numerous debts at different places around town and will in all likelihood be brought into court as he has so far made no effort to pay up. In one instance he obtained credit by making a statement to the effect that he held a position with the Asia Realty Co., So far I have been unable to ascertain if he has ever used Brig-Gen Macnaghten's name to enable him to raise money although the attached letter addressed to Mrs. Botsford indicates that he is quite capable of doing so.

Rushton and Ogilvie who is mentioned in the letter, arrived together from Hongkong.

Rushton is reported to come of a good family and his parents are said to reside in Singapore. He now styles himself - D. A. Berkeley - Rushton, manufacturers representative.

Anything further of interest learned regarding this person will be duly reported.

P.T.O.

I am very surprised to receive your
 letter yesterday - and am sure you will be
 satisfied with it.

In the first place it may please you to know that
 I have made the necessary arrangements with Arthur Johnson
 my cousin. to settle that due charge of Opilovic - in
 respect of the China Finance. So I am positive you may
 rest assured about that. I'm sorry Opilovic let
 me down.

Also, I haven't seen Art for days - but I
 understand from fellows that he has been very busy
 lately.

Now, Lady Betty, I wish you could have
 conveyed something to me before seeing my business
 clothes. What is the real reason? - Won't you tell
 please tell us? Because if you can only meet me
 on common ground - and we talk this matter out, it
 would be far better. Furthermore, in spite of the fact that
 you may think I've been slack - tonight I have to
 dine with General MacNaghten (No. 1 of the B.A.T.) and
 Bringer of the same Coy. Now won't you please help
 me out for tonight? And you can have it back tomorrow
 if you wish - and we can talk the matter over. Yours sincerely

2010
